**\*\*\* NOTE ON TIES**

Scoring ties for all individuals/teams per event, and overall will be broken. The following tie breaking criteria will be used in the Regional program: In the event of a tie, the individual/team with the highest level of achievement in the Hunter Responsibility Exam will be declared the winner(s). If a tie remains, the individual/team with the highest level of achievement on the Hunter Safety Trail Challenge will be declared the winner(s). Should a tie remain, the individual/team with the highest combined level of achievement in the four (4) responsibility events (Hunter Responsibility Exam, Hunting Orienteering Skills Challenge, Hunting Wildlife Identification Challenge, Hunter Safety Trail Challenge), will be declared the winner(s). The final tiebreaker will be based on a combined score of the four (4) shooting events (Hunting Shotgun Challenge, the Light Hunting Rifle Challenge, Hunting Archery Challenge and the Hunting Muzzleloader Challenge). Should individuals/teams tie in the Hunter Responsibility Exam, the tie breaking formula will start at the second criteria (Hunter Safety Trail Challenge).
